Further to 37 C.F.R. §1.98 (a)(2)(ii) and the U.S. Patent and Trademark Office's decision to waive the requirement under 37 C.F.R. §1.98 (a)(2)(iii) if the U.S. patent application was filed after June 30, 2003, copies of the U.S. patent publications and patent applications are not enclosed herewith. However, if any copy is needed, the Examiner is respectfully requested to contact the undersigned.

Applicants respectfully request that the Examiner consider the above material and cite the same. Copies of the above-listed documents, with exception of the U.S. patent documents, are enclosed, and all of the documents are listed on an attached PTO-1449 Form. Copies of the International Preliminary Examination Report (in English and Japanese) for PCT/JP02/12961, the International Search Report (in English and Japanese) for PCT/JP2006/305645, the

International Preliminary Report on Patentability including the Written Opinion (in English) for PCT/JP2006/305645, the International Search Report (in English and Japanese) for PCT/JP2006/305646, the International Preliminary Report on Patentability including the Written Opinion (in English) for PCT/JP2006/305646, the International Search Report (in English) for PCT/JP2006/312531, and the International Preliminary Report on Patentability including the Written Opinion (in English) for PCT/JP/2006/312531 are also enclosed. The Examiner is respectfully requested to consider these documents and to indicate such consideration by returning a signed and initialed copy of the PTO-1449 Form with the next official communication.

Applicants note that this Information Disclosure Statement is being filed prior to an Action on the merits and subsequent to a Request for Continued Examination. Accordingly, Applicants believe no additional fee is necessary except for the fee for filing a Request for Continued Examination.

If there are any questions, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
